Hetvi Tank

Python Developer

Email: hetvitank0@gmail.com
Address: Bhuj, Kutch
Phone: 7575802470
Website: https://hetvitank.github.io/portfolio/

OBJECTIVE

Passionate and skilled Software Developer with expertise in Python, Artificial Intelligence, and Machine Learning. Proficient in working with MySQL, PostgreSQL, and MongoDB, with hands-on experience in Docker, Google Cloud Platform (GCP), and Amazon Web Services (AWS). Eager to leverage my technical skills to build innovative and efficient solutions.

EXPERIENCE

Bhuj
Aug 2022 - Present

Executive Python Developer
Aeonx Digital Technology

Ahmedabad
Feb 2022 - Jul 2022

AI ML Trainee
Cognisun Info Tech.

EDUCATION

Visnagar
Aug 2022 - May 2024

Master of Technology: Computer and Software Engineering
sankalchand patel university

Gandhinagar
Aug 2018 - May 2022

Bachelor of Engineering: Information Technology
shankersinh vaghela bapu institute of technology

SKILLS

- Python
- Artificial Intelligence
- Machine Learning
- MySQL
- Postgresql
- MongoDB
- Google Cloud Platform (GCP)
- Amazon Web Services (AWS)
- Docker
- Unit test

SOFT SKILLS

Adaptability

Problem-Solving

Focus

Leadership & Teamwork

Decision-Making & Critical Thinking

PROJECTS

- Utilized IoT devices like Raspberry Pi, QR scanners, and cameras for real-time object detection.
- Seamlessly integrated the backend with SAP for enhanced operational efficiency.
- Implemented model training automation and configuration for streamlined processes.
- Collected real time data from multiple CNC machines for Maini
- industries using OPC server and an additional gateway IoT device, stored it on the cloud and displayed on dashboard using AWS Quicksight.
- Built ETL pipelines enabling real-time queries for business metrics, including sales-to-production ratios. Integrated Amazon Lex and Alexa for conversational insights.
- Gained hands-on experience in building AI-powered solutions, including chatbot development using Google Dialogflow and advanced image recognition (OCR) technologies.

CERTIFICATIONS & COURSES

Associate Cloud Engineer Certification (Google)

Github Foundation

AWS Certified Cloud Practitioner

HONORS & AWARDS

Superstar Individual Award

Issued by Ashapura Group Of Industries · Dec 2024
